

OSS Field Trip Permission Slip

I, _____ parent/or guardian of _____ give him/her permission to attend a Omaha Street School field trips in the Omaha Area. I understand that students will leave and return back to school during normal school hours, and that I will be informed of the actual time and date prior to each field trip. I understand that OSS is providing transportation to field trips either by staff vehicle, volunteer vehicle, or by school bus. In addition, I understand there may be a minimal cost for field trips that students are responsible to pay.

Attending field trips is a privilege, students are expected to observe OSS behavior guidelines while on field trips, any student not following those guidelines will return to school so early transportation home can be arranged, or remain at school during the field trip.

Parent/Guardian Signature _____

Thank You,

Charles Wilson
Director of Student Services
Omaha Street School
