

PROFESSIONAL CONDUCT

The Omaha Street School is a Christ-centered ministry dedicated to the belief that faith in Jesus Christ and obedience to His Word and commands are the solution to the problems that face students. He is the only one who can truly give them hope and purpose for their future. Most of our students do not come from homes where the love of Christ or a godly lifestyle is exhibited. Drug, alcohol abuse, and sexual promiscuity are often the norm. Therefore, the following guidelines exemplify professional standards and should be acknowledged by all staff members:

- Volunteers are not to engage in the use, sale, or distribution of any illegal drug or substance.
- Volunteers are not to engage in the consumption of tobacco products of any kind in the presence of students. Furthermore, they are not to advocate or make light of tobacco use or vaping to any members of the student body.
- Volunteers are to refrain from the use of swear or curse words.
- Volunteers are not to advocate nor discuss personal, premarital, extramarital, or same sex relationships with the students.
- Volunteers are not to promote the use of alcohol with students.
- Volunteers will treat all personnel and student information with complete confidentiality.
- Volunteers will treat current and political events with an unbiased viewpoint.

I understand the lifestyle statement and agree to the conditions listed above.
